

GreatOPlus feed nutrient is your answer for better livestock performance and a bigger return for you.

Just look at the results comparing feedlot diets using GreatOPlus versus a control group. * Better conversion and performance, higher carcass value, lower mortality, and more marketable beef.

* Kansas State University Study AR2022-12 screening 700 cattle, March-September 2022.

Value Proposition

GreatOPlus
\$740,679.21/Herd
(\$2,116.23/Head)

Control
\$712,285.98
(\$2,035.10/Head)
